One of these "doctors" lived in the neighborhood of Wilson's Spring. On the breaking out of the cholera, he claimed to have medicine that was a sure cure. All the patient had to do, was to drink the preparation he gave them, lay down and sleep for about two hours, and awaken to find themselves free of the dread disease. Last Monday the "doctor" was prostrated with the cholera. A RE YOU SICK, FERBLE And and complaining? Are you out of order with your system deranged and your feelings uncomfortable? These armptoms are often the prelude to serious litness. Some fit of sickness is crosping upon you, and should be averted by a timely use of the right respect. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the finish move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, parify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and combition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trival complaint is also true in many of the deep seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surely cured by the same means. None who know the virtue of these Fills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Hearthurn, Rheamatism, Dropey, Worms and Suppression, when taken in large doses.

They are Sogar Coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered. LARD.

Ayer's Pills.

This remedy has rarely failed to curs the sever-est case of Chills and Fever, and it has this great advantage over other Agus medicines, that it sub-dues the complaint without injury to the patient. It contains no quinine or other deleterious sub-stance, nor does it produce quinism or any injuri-ous effect whatever.
